Make the most of your home inside and out

Our new Heritage Flush Sash window combines the beauty and elegance of traditional timber with all the benefits of PVC-U. The Heritage Flush Sash window makes a stunning addition to both traditional and contemporary properties, transforming period homes, country cottages and modern townhouses. Its unrivalled, aesthetic appeal makes it one of the most attractive windows on the market today.

Combining traditional looks with the latest technology, our Heritage Flush Sash window's symmetrical design gives a property perfect balance and harmony. As part of our Heritage Window Collection range, it is available in white and 26 colourways as standard. See our Heritage Colour Collection on pages 6 & 7.

FLUSH SASH

BY DECEUNINCK

Heritage Flush Sash windows look great in any surrounding; modern townhouse or country cottage. They will retain their elegance while still functioning as a high quality window for many years to come.

Super Efficient

Compared with aluminium or wood, PVC-U windows are low maintenance, have better insulation values and are able to reduce energy and heating costs.

Perfect for Conservation

Flush external contours are in keeping with period properties and also meet the requirements of most conservation area officers. *Check with your planning/conservation officer.

Sound-Proof

Glazing options to maximise energy efficiency and/or sound proofing.

Safe and Secure

For total peace of mind, our Heritage Flush Sash windows come with multi-point locking as standard.
